

HAVE A MERRY CHRISTMAS!

WE LOOK FORWARD TO BEING OF
SERVICE TO YOU IN THE NEW
YEAR

WE ARE CLOSED 24TH DEC
REOPEN 3RD JAN

DEAR WHANAU,

we hope you have a break with your whanau over this festive season . We look forward to 2019 and what it may hold for our family's and our educators .

This year we welcomed Kay as our new Visiting teacher to the Cherish team , Some of you have met her and all of you would have received an email from her about your child and an update on educa from us all. Please take the time to visit educa and read your child's learning story that you educator has put great thought and time into . If you have the time we would appreciate you to leave a comment after you have read the story of what your thoughts are and any learning that has taken place from home.

Don't forget sun hats and sun screen for your child's bag , a change of clothes is a great idea as some have water play on hot days
